¹⁾ In accordance with § 5 (1) of Resolution No. 8/2022 of the Senate of the Medical University of Gdańsk passed on January 31, 2022 laying down the terms and procedure of recruiting candidates to the First Doctoral School of the Medical University of Gdańsk in the academic year of 2022/2023 (hereinafter: the Resolution), the limit for admission to the Doctoral School in the academic year 2022/2023 is 13 places in the discipline of medical sciences, 6 places in the discipline of health sciences and 5 places in the discipline of pharmaceutical sciences. However, in accordance with § 5(2) of the Resolution, the Rector may issue the decision to raise the limit.

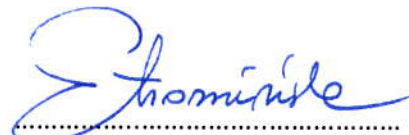

²⁾ The Rector of the Medical University of Gdańsk, in § 1 (1) of Disposition No. 60/2022 of the Rector of the Medical University of Gdańsk, dated September 19, 2022, on increasing the admission limit to the First Doctoral School of the Medical University of Gdańsk, increased the admission limit by an additional 5 places and, in accordance with § 1 (4) of the Disposition, he allocated the additional places to candidates whose dissertation falls thematically within Priority Research Area No. 3 within "Excellence Initiative - Research

University" Program (biochemistry, genetics and molecular biology), i.e., so-called *Discovery Science*, and who met the admission criteria established by the Resolution.

- 3) In accordance with § 4 (4) of the Resolution, by decision of the Rector of Medical University of Gdańsk, vacancies in the discipline of medical sciences were transferred to the discipline of health sciences.

Thereby, the candidates:

- in medical sciences from places 1. to 13. are within the limit of places for medical sciences and will be admitted to the First Doctoral School;
- in health sciences from places 1. to 9. are within the limit of places for health sciences and will be admitted to the First Doctoral School;
- in pharmaceutical sciences from places 1. to 7. are within the limit of places for pharmaceutical sciences and will be admitted to the First Doctoral School.

Prof. M.D., Ph.D. Ewa Słomińska
Chairperson of the Recruitment Committee
to the First Doctoral School
of the Medical University of Gdańsk

Gdańsk, 20 September 2022
